## ABOUT ME

---

Data Analyst  
Proficient in Python, SQL, PowerBI, Tableau and Ms Excel

## WORK EXPERIENCE

---

### MeriSKILL

Internship & Graduate | Intern  
Lagos , Nigeria  
2023-08-01 | 2023-11-01

As a data analyst with 2 to 3 years of experience and a background in a data analyst bootcamp, along with internship experience at Meriskill, I bring a robust skill set and hands-on experience that directly aligns with the job responsibilities at your organization. During my time at Meriskill, I successfully executed projects involving exploratory data analysis, dashboard development, and even machine learning model building, showcasing my ability to handle diverse analytical tasks effectively. My proficiency in Python, SQL, PowerBI, Tableau, and Excel further enhances my capability to deliver insightful data-driven solutions, making me a strong candidate for this position.

## EDUCATION

---

### Lagos State University

Degree | Bachelor of Science

Am a Computer Scientist in Lagos State University. While in school I started my Data Analyst career at a very early stage. Now I am more than capable to work as a Data Analyst
